

OurConfidant - Get experts advice on sexual issues

Turn to Our Confidant when you have sex-related concerns. Sex concerns can make you feel completely alone, even when you have family and close friends: you just can't bring yourself to talk about it! You'll be surprised to know that as many as 22% of all sexually active Indians face some issue or the other like erectile dysfunction, premature ejaculation, loss of sex drive, lack of orgasm, sex issues in newly weds etc. and most of them don't know whom to turn to. The good news is that you can now get an expert advice you need on every matter related to sex, in complete privacy and on your own terms. Download the Our Confidant app and connect to India's most respected Doctors and Counselors. Have detailed consultations with them online if you do not wish to even visit a clinic. You can also submit queries and get answers.
